

For Immediate Release

Headworks International Named to DiversityBusiness.com's Top Businesses - 2014

Houston, Texas, April 23, 2014 DiversityBusiness.com, the nation's leading multicultural social media site, has recently acknowledged Headworks International as one of the **Nation's** "Top Businesses" for 2014. This exclusive ranking is a reflection of **Headwork International's** overall vision, leadership and economic accomplishments in moving our economy forward. The award, known as the Div500, represents the most unique class of companies who have earned the distinction of fostering a culture of sustainable growth among the communities they serve.

2014 marks DiversityBusiness.com's 14th annual listing of the **Nation's** top businesses. Over 1.3 million businesses participated in this year's program. The "Top Businesses" are determined by a selection committee which evaluates the eligibility for all submissions in each award categories. The selection committee bases their decision on a set of criteria which includes: reviewing each entrant's business profile, website and gross annual sales submitted. The businesses selected on these lists have become highly coveted among corporations, government agencies and educational institutions who desire to increase opportunities with privately-held businesses.

"We are very proud to continue to support men and women who have become the core of our nation's innovation, productivity and growth", says Kenton Clarke, President & CEO of DiversityBusiness.com. He goes on to add, "I am very optimistic about our future especially as this distinct group of entrepreneurs continue to produce immeasurable results and serve as a prime example for current and generations to come."

"Headworks is honored to be acknowledged by DiversityBusiness.com once again for the culture and commitment of our talented people. Our team of innovative and passionate professionals is dedicated to the mission of cleaning the world's wastewater so that it can be a reusable and sustainable resource," stated Michele LaNoue, CEO of Headworks International.

"Diversitybusiness.com allows us to benchmark are success in fulfilling our cultural goals and I am delighted to say that we have been selected on the List year after year since 2005."

The List

This List is a classification that represents the top privately-held businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. The List offers a comprehensive look at the strongest segment in the United States economy- America's privately-

held businesses. Large organizational buyers who do business with multicultural, small and women-owned businesses all use the list. The List has garnered over 20 million annual views since inception.
